At such time as Declarant in its own absolute discretion shall determine, the Association may create a committee which shall thenceforth be and constitute the ARB. In the event that any member of such committee resigns or becomes unable to serve thereon the Association, shall appoint its successor.

5.3.2. Review by ARB.

- a. In order to enhance, maintain, and preserve values of the Property and all Lots located therein, no building, fence, wall, patio, paved area, pool or pool enclosure, landscaping other structure or improvement (or other item specifically referred to in this Declaration as being subject to ARB Approval) (all of the foregoing being individually referred to as an "Improvement") shall be commenced, painted, erected, installed, planted, placed or maintained upon the Property including any Lot located therein, nor shall any exterior change, alteration, modification, addition or deletion be made to any Improvement on a Lot nor shall any awning, canopy or shutter be attached to or placed upon outside walls or roofs of buildings or other Improvements (except by Declarant), until the plans, specifications and other information (collectively the "Required Documents") required by the ARB showing the nature, kind, height, materials, color selection, and location of the Improvement shall be submitted to and approved in writing as to harmony of exterior design and location in relation to surrounding structures and topography by the ARB and until the ARB has received assurance acceptable to it that any damage to the Property as a result of such work will be repaired in a timely fashion. (The foregoing work for which approval is required is hereinafter referred to as "Proposed Work.")
- b. The ARB will review the information provided to determine harmony of exterior design, color and location of the Proposed Work set forth in the Required Documents in relation to the surrounding structures and topography. The ARB may condition its approval of Proposed Work as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving Proposed Work.
- c. The ARB may issue guidelines setting forth procedures for the submission of Required Documents submitted for its review as it deems proper including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors.
- d. The ARB may publish guidelines and standards providing options for the use of material, the size of structures or other Improvements, the design of structures or other Improvements, or the location of structures or other Improvements on a lot. Prior to planning for Proposed Work that is subject to approval under this paragraph 5.3, an Owner should contact the ARB and request copies of any published guidelines or standards.

- e. The ARB may establish fees for services under this paragraph 5.3, as set forth in paragraph 5.3.11.
 - f. Upon receipt by the ARB of all Required Documents and any fee required or imposed by the ARB, the ARB shall have thirty (30) days after delivery to approve or reject the Proposed Work, and if not approved in such thirty (30) day period, the Proposed Work shall be deemed rejected.
 - g. The ARB's approval or disapproval as required in these covenants shall be in writing. All changes and alterations shall be subject to all applicable permit requirements and all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees.
- 5.3.3. Liability. Neither the ARB nor any member thereof shall be liable to the Association, any Owner or to any other party, for any damage or loss suffered or claimed on account of: (a) the approval or disapproval of any Proposed Work; (b) the construction or performance of any work, whether or not pursuant to an approved Proposed Work; or (c) the development of any Lot. This provision shall not be construed to relieve the ARB or any member thereof from individual liability for actions intentionally committed or conducted in bad faith.
- 5.3.4. Approval Not to be Construed as Waiver. The approval by the ARB of any Proposed Work, or for any Proposed Work done or proposed, or in connection with any other matter requiring the approval and consent of the ARB, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar Proposed Work whatsoever subsequently or additionally submitted for approval or consent.
- 5.3.5. Architectural Review Board Expenses. The members of the ARB shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.
- 5.3.6. ARB Representatives. The Association may retain third party professionals, such as architects or contractors, to perform the duties of the ARB hereunder, and may agree to compensate them for such services. All references in this paragraph 5.3 to the ARB shall be deemed to include references to such persons retained by the Association.
- 5.3.7. Inspection by Architectural Review Board. Inspection of work and correction of defects therein shall proceed as follows:
- a. Upon completion of any Proposed Work for which approval is required under this Article, the Owner shall give written notice of completion to the ARB.
 - b. Within thirty days after such notice, the ARB may inspect such Proposed Work. If the ARB finds that such work has not been done in substantial compliance with the approved Required Documents, it shall notify the Owner in writing of such noncompliance within such thirty-day period, specifying the particulars of noncompliance. The thirty-day period shall not commence to run until the ARB receives a notice of completion from the Owner. The ARB may, in its discretion, inspect the Proposed Work while the same is being made or constructed or upon completion and notify the Owner of noncompliance even if the Owner has not given the ARB notice of completion.

- c. If a noncompliance exists, as determined in the sole and absolute discretion of the ARB, the ARB shall notify the Owner to remedy or remove the same within a period of not more than thirty days from the date of delivery to such Owner of notice of the ARB's determination of noncompliance. The Owner shall be obligated to comply with such notice, and if the Owner does not comply with such notice within such period the Association, at the option and direction of the ARB, may, in addition to all other remedies available at law or equity, remove the noncomplying Proposed Work or remedy the noncompliance and the Owner shall reimburse the Association after delivery by Association to the Owner of written notice thereof for all expenses incurred in connection therewith. If such expenses are not paid by the Owner to the Association within fifteen days after such notice, the Association may levy an Enforcement Assessment against such Owner for reimbursement, which Enforcement Assessment shall constitute a lien on the Owner's Lot and shall be collectible as set forth in this Declaration.
- d. If for any reason the ARB fails to notify the Owner of any noncompliance within thirty days after receipt of such written notice of completion from the Owner, the Proposed Work shall be deemed to have been made in accordance with the Required Documents.
- e. If an Owner does not obtain the approval of the ARB as provided herein, and proceeds to perform any Proposed Work on a Lot which requires ARB approval, the ARB, upon actual discovery of the foregoing may, approve them as being in accordance with the requirements for approval, or the ARB may notify the Owner in writing of the noncompliance of the Proposed Work, in which case the ARB shall then proceed as is provided in paragraph 5.3.7.c.

The ARB may authorize variances from compliance with the provisions of this Article V that concern architectural guidelines or other matters that are specifically referred to as being subject to ARB approval (and not other provisions of this Article V) when circumstances such as: topography; natural obstructions; hardship; aesthetic or environmental considerations; lack of impact on other Owners; or governmental regulation require. Such variances must be evidenced in writing. If such variances are granted in writing and approved in writing by the ARB, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variances were granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variances, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting its use of the premises including, but not limited to, zoning ordinances and set-back requirements or requirements imposed by any governmental or municipal authority, nor shall it be deemed to have to obtain a variance from other architectural committees having jurisdiction.

5.3.9. Exemption of Declarant. The Declarant shall be exempt from the provisions of this paragraph 5.3 and all subparts thereof with respect to any Proposed Work which Declarant determines to make in the Property and this exemption shall apply whether such Proposed Work is or to Lots, the Common Areas, roads, or any other areas of the Property. 5.3.10. Nonconforming Structures. If there shall be a material deviation from the approved Required Documents in the completed Proposed Work, such Proposed Work shall be in violation of this paragraph 5.3 to the same extent as if erected without prior approval of the ARB. The Association, ARB or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming Proposed Work and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof.

5.3.11. Fees.

Such fees may be on an hourly basis to reimburse the ARB or Association for amounts paid pursuant to paragraph 5.3.6.
- b. An Owner shall be required to pay all fees established under this paragraph 5.3.11 as and when required by the ARB. Without limiting the foregoing, any fees due under paragraph 5.3.11.a.1) shall be paid at or prior to the time that all Required Documents are delivered to the ARB.
